Stoney Creek Golf Club

Golf Events

Stoney Creek Golf Club offers corporate and group events to accommodate all your golfing needs for a truly memorable event. Whether it's a corporate outing, charity event, or social occasion, our professional staff will help make your planning experience enjoyable. Our goal is to create an event to accommodate your wishes and exceed your expectations.

In 2010, the golf course and clubhouse underwent major reconstruction. The renovations included all new greens complexes, new bunkers, adding several new tee areas, laser leveling of all tee complexes, an extensive expansion of the practice facility that includes a new short game area and a new practice putting green. Additionally, the clubhouse facility was completely renovated to create a comfortable and warm atmosphere. We expanded our dining areas, re-built a spacious golf shop, provided a covered patio, and modified the space to accommodate large groups for special events and member functions. We are pleased to accommodate up to 120 participants and invite you to choose Stoney Creek for your next special event.

Helpful Planning Tips from Stoney Creek.....

At Stoney Creek Golf Club our goal is to optimize your event and create a fun and friendly atmosphere for your guests. We have been fortunate to host several hundred events over the years and have learned a few important reminders that we would like to share to aid in your planning process.

Here are a few simple reminders that have proven effective in maximizing the success of golf events:

Start early – there are many events to choose from, so the sooner you can get commitments, the better.

It is by far the most labor-intensive way, but also the cheapest and most effective –call golfers directly. It guarantees that the message is delivered, and makes it difficult for them to say no.

Utilize the local paper and Triad Golf Today. They are happy to advertise your event free of charge.

If at all possible, try to get golfers to pay ahead of time. This cuts down greatly on no-shows and makes life much easier for tournament organizers the day of the event. You can easily establish a PayPal account that golfers may utilize to pay in advance for your event.

Hospitality is the key for everyone having a great time and choosing to participate in the future. Communicate regularly and make playing in your event simple. Welcome them to your event with a smile and say thank you at every opportunity.

Write thank you notes to all sponsors and team captains. A little note can go a long way to separate your event from all the others.

Sponsors are a terrific source of income. There is really no end to the opportunities for sponsorship, including: holes (or even tee and green), practice green, golf carts, long drive and closest to the pin contests, holes-in-one, drink cart, lunch or dinner, prizes, auction, and title or tournament sponsor.

Donations for raffles or silent auctions will also generate revenue that will go directly to your charity.

Contests, Games, and Other Money Makers:

There is no limit – be creative. Here are some examples that have worked well:

Closest to the pins (holes 3, 8, 13 and 16) and long drive possibilities on holes 9, 11, or 18. We will provide the proximity markers and our appreciation certificates are terrific prizes.

Offering a raffle for hitting the green helps raise additional money for your event and defrays some of the cost. Everyone who hits the green gets entered in a drawing where the winner gets a percentage of the proceeds.

Mulligans – Although offering multiple mulligans will inevitably slow down play, they are a tremendous source of additional revenue. Selling these is a simple step at your registration table.
